Things you might include could be the importance in the decision to name the team the 'Jets', what you think the most important impact is on the City of Winnipeg with the Jets' return, and if you had the opportunity to attend any of the Jets' home game, which one would it be and why? We also want to know who your favourite Jets player is and why.

For all House 5/6, 7/8 and Novice players, we would like you to draw us a picture of what the Jets mean to you. We would also like you to provide a short response on: if you could ask any Jets player a question, who would you ask and what would the question be?

GOOD LUCK to all who Participate. The winners will be published on the Hockey Winnipeg WEB site in December 2011.
